REMARKS

The title has been amended to be in conformance with the English translation of the International Application.

The specification is amended in accordance with 37 CFR §1.78 to make reference to the International Application from which this application originates and to incorporate by reference the Japanese priority applications. Also the specification is amended to conform to U.S. practice. A marked-up copy and a clean copy of the substitute specification are provided.

Claims 4-7 have been amended to eliminate multiply dependency. Claims 8 and 9 have been added to restore the subject matter that was removed as a result of the amendment and to further claim what the applicants regard as the invention. The amendment is made to reduce filing fees and not for any other reason related to patentability of such claims.

Abstract has been amended to conform to U.S. practice.

No new matter has been added by these amendments.

In view of the above amendment, applicant believes the pending application is in condition for allowance.
